CHURCH PLANTING MISSIONARIES TO ROMANIA

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." 2 Ch. 7:14

Dear Supporting Churches & Praying Friends,

We trust all is well and that each of you were able to enjoy the celebration of our nation's independence!

I realize, just as most of you do, that our country is not all that it once was. I understand that the direction this country is headed in is not the same as in it was in the founding of this great nation. Although it may seem bleak at times, though it may seem that the forces of evil are prevailing in this country, I still believe there is hope for this great land. It's not time to throw in the towel or raise the flag of surrender, but as God's people, we must recognize more than ever how important our efforts are in this world. I still believe that God could turn the tide in this country, but I believe it must start among His people. We must humble ourselves, pray, seek the face of God, & turn from our wicked ways. In short, we need a revival in our own hearts and in our churches to see things turn around.

We had the privilege to be involved in trying to reach the future of America this past month. In June, we were able to help out at Mt. Salem Revival Grounds in West Union, West Virginia. We witnessed many times over God working in several young people's hearts and lives. The very first night of the first week of camp, the Lord gave me the great opportunity to lead a teenage boy named Devin to the Lord. I was also given the opportunity to preach to the junior boys and girls during two of the weeks we were there. Through the different weeks of camp while we were there, several young people accepted Christ as their Saviour, as well as a great number of teens getting their hearts right with God. Many times we witnessed the altars in the tabernacle full of young people service after service. There is still hope for the future in America!

We were also able to be involved in one mission's conference as well as four single meetings. I was able to present and preach in each of these meetings. Each church was such a blessing to us! Also, we had three more churches take us on for support. (Praise The Lord!) Please be in prayer, we are getting all the last minute details finished before we fly to Romania for the summer. We are so excited, July 9th, we fly out! I can't wait to get there and see all that God has in store for the summer.
